This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of William Seabrook, Jr. d/b/a Seabrook Transfer Company (Seabrook Transfer or the Applicant) for a temporary suspension of Class E Certificate of Public Convenience and Necessity (Certificate) No. 9545.

A review of the Commission's records reveals that Certificate No. 9545 was issued to Seabrook Transfer pursuant to the authority granted to the Applicant by Commission Order No. 94-475, dated May 23, 1994.

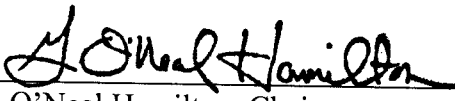

On October 5, 2006, the Applicant filed a request with the Commission seeking a suspension of Seabrook Transfer's authority to transport household goods until May,

2007. According to the Applicant, the extension is necessitated by financial difficulties of Seabrook Transfer. Thereafter, on October 11, 2006, the Office of Regulatory Staff (ORS) filed a request asking the Commission to limit Seabrook Transfer's suspension to a two-month period. The ORS states that it has reviewed the history of Seabrook Transfer in Docket Nos. 1993-251-T and 2004-88-T and notes that Seabrook Transfer has been granted three prior suspensions and that it appears Seabrook Transfer has not been operating since 2004. ORS advises that it does not oppose the suspension request; but does request a limited suspension. During this suspension period, ORS states that it would further review this matter and submit its finding to the Commission so that the Commission may make a determination as to whether any further suspension of Seabrook Transfer's authority is appropriate under the Commission rules and regulations, specifically Commission Reg. 103-164.

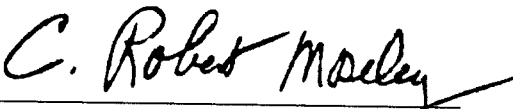

We have examined this matter and agree with the ORS that limiting Seabrook Transfer's suspension to a two-month period is appropriate and that granting the ORS this time period to investigate Seabrook Transfer is in the public interest. Class E Certificate of Public Convenience and Necessity No. 9545 of William Seabrook, Jr. d/b/a Seabrook Transfer Company is hereby suspended until January 1, 2007. Further, the ORS shall notify the Commission as soon as it completes its investigation and make a recommendation to the Commission concerning disposition of this matter as soon as possible, but no later than January 1, 2007.

This Order shall remain in full force and effect until further Order of the Commission.
